> Good Morning Mayor Coursey and Members of the Santa Rosa City Council,
>
> I wanted to reach out to you as the President of Coffey Strong to express our organizations opinion on the drawing of districts. While we won't be submitting a map for it ourselves, we do want to be sure to inform the city council that our opinion is that the greater Coffey Park (Coffey Park, Shelbourne, Hillview, Sharon Park, etc.) needs to remain in the northwest quadrant and separate from our neighbors across the 101 in Fountaingrove. It is the opinion of the board that the demographics, income levels and interests of those two neighborhoods do not match.
