

RESOLUTION NO. 980

RESOLUTION OF THE BOARD OF PUBLIC UTILITIES OF THE CITY OF SANTA ROSA
ADDING MISCELLANEOUS FEES AND CHARGES FOR BACKFLOW PROGRAM
ADMINISTRATION

WHEREAS, the Board of Public Utilities has determined that the Utilities Department should charge the individual user for services required in connection with specific user-related procedures; and

WHEREAS, the Board of Public Utilities has reviewed proposed new fees for Backflow Program Administration and found the fee necessary and reasonable.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Public Utilities of the City of Santa Rosa adds a monthly Backflow Program Administration fee of \$3.00 to the Schedule of Miscellaneous Fees and Charges and authorizes and directs the Director of Utilities/City Engineer to charge and collect said fee on and after July 19, 2010.

BE IT FURTHER RESOLVED, the Board finds that the new fee approved in this resolution is for the purposes of meeting operating expenses and, accordingly, the Board finds this resolution exempt from the provisions of the California Environmental Quality Act under section 21080(b) and State CEQA Guidelines section 15273(a). The Board further finds that the fees and charges adopted by this resolution are not subject to the California Environmental Quality Act under the provisions of State CEQA Guidelines section 15061(b)(3) in that the Board finds that there is no possibility such new or increased fees and charges will have a significant effect on the environment.

DULY AND REGULARLY ADOPTED by the City of Santa Rosa Board of Public Utilities this 20th day of May, 2010.
