

RESOLUTION NO.965

RESOLUTION OF THE BOARD OF PUBLIC UTILITIES RECOMMENDING THAT THE COUNCIL OF THE CITY OF SANTA ROSA REVISE THE CHARGES AND RATES FOR WATER SERVICES

WHEREAS, it is the policy of the City that the water system facilities be operated as a self-supporting utility and that service charges for its use shall be calculated and changed from time to time in sufficient amounts to operate and maintain the system to meet the needs of all users; and

WHEREAS, the Board of Public Utilities has considered the report and recommendations of City staff and consultants on increasing water service charges and rates; and

WHEREAS, the Board of Public Utilities finds that the rate increases set forth herein are for the purpose of meeting operating expenses, cost of supplies, materials and equipment, and financing capital projects necessary to maintain service.

NOW, THEREFORE, BE IT RESOLVED that the Board of Public Utilities recommends that the City Council pass an Ordinance to revise, add or amend certain code sections, including sections 14-04.090 and 14-08.010, to revise water service charges and quantity rates as shown in the attached Exhibit.

DULY AND REGULARLY ADOPTED by the City of Santa Rosa Board of Public Utilities this 1<sup>st</sup> day of October, 2009.
