

RESOLUTION NO. 955

RESOLUTION OF THE BOARD OF PUBLIC UTILITIES RECOMMENDING THAT THE CITY COUNCIL ADOPT THE REVISED AND NEW SEWER AND WATER CONSTRUCTION STANDARDS

WHEREAS, the City of Santa Rosa periodically adopts standards for the construction of City infrastructure, including sewer and water construction standards; and

WHEREAS, the last update to the sewer and water standards was made in September 2002; and

WHEREAS, changes in materials and products, operation and maintenance requirements, building code requirements, and design policies have necessitated an update to the standards; and

WHEREAS, the City of Santa Rosa Utilities Department has developed revised and new sewer and water standards in conjunction with other City departments, local contractors, design professionals, homebuilders, and their organizations; and

WHEREAS, the revised and new sewer and water standards are mutually beneficial to the City, the Utilities Department, the development community and the local contractors.

NOW, THEREFORE, BE IT RESOLVED that the Board of Public Utilities recommends that the City Council adopt the revised and new sewer and water construction standards.

DULY AND REGULARLY ADOPTED by the City of Santa Rosa Board of Public Utilities this 21st day of May 2009.
