

RESOLUTION NO. 877

RESOLUTION OF THE BOARD OF PUBLIC UTILITIES DENYING APPEAL OF UTILITIES DEPARTMENT CONDITIONS 4, 5 AND 7 OF THE DRAFT SUBDIVISION COMMITTEE REPORT DATED AUGUST 16, 2006 FOR THE LATORA SUBDIVISION

WHEREAS, the City Engineer for the Utilities Department denied an appeal of conditions 4, 5 and 7 of the Draft Subdivision Committee Report; and

WHEREAS, the applicants representative filed an appeal before the Board of Public Utilities contending that the conditions 4, 5 and 7 should be modified; and

WHEREAS, the conditions of approval for the Latora Subdivision were prepared in accordance with the City of Santa Rosa Sewer System Design Standards and Sewer System Construction Standards.

NOW, THEREFORE, BE IT RESOLVED that the Board of Public Utilities of the City of Santa Rosa denies the appeal of conditions 4, 5 and 7 of the Draft Subdivision Committee Report dated August 16, 2006 for the Latora Subdivision.

DULY AND REGULARLY ADOPTED by the City of Santa Rosa Board of Public Utilities this 16th day of November, 2006
