

RESOLUTION NO. 759

RESOLUTION OF THE BOARD OF PUBLIC UTILITIES APPROVING A JOINT FUNDING AGREEMENT FOR WATER RESOURCES INVESTIGATIONS WITH THE UNITED STATES GEOLOGICAL SURVEY

WHEREAS, stream flow monitoring is necessary for determining NPDES compliance; and

WHEREAS, the United States Geological Survey is a recognized expert in stream flow monitoring; and

WHEREAS, an annual contract for maintenance, inspection and calibration is needed for this service; and

WHEREAS, the cost of this service is paid by the Utilities Department.

NOW, THEREFORE, BE IT RESOLVED that the Board of Public Utilities approves the Joint Funding Agreement for Water Resources Investigations with the U.S. Geological Survey.

DULY AND REGULARLY ADOPTED by the Board of Public Utilities this 21st day of August, 2003.
