

## RESOLUTION NO. 743

### RESOLUTION OF THE BOARD OF PUBLIC UTILITIES RECOMMENDING THAT THE COUNCIL OF THE CITY OF SANTA ROSA REVISE THE SEWER DEMAND FEES

WHEREAS, the current sewer demand fees are based on an assumed long-term wastewater disposal project cost of \$115 million; and

WHEREAS, the demand fees must be revised periodically to compensate for the decrease in revenue for growth related capital costs received from service charges; and

WHEREAS, the Board of Public Utilities finds that the recommended sewer demand fees are necessary for the purpose of meeting growth related capital costs within the existing service area.

NOW, THEREFORE, BE IT RESOLVED that the Board of Public Utilities recommends that the City Council adopt an Ordinance revising sewer demand fees as shown in attached Exhibit "B".

DULY AND REGULARLY ADOPTED by the City of Santa Rosa Board of Public Utilities this 19<sup>th</sup> day of June, 2003.
