

RESOLUTION NO. 805

RESOLUTION OF THE BOARD OF PUBLIC UTILITIES OF THE CITY OF SANTA ROSA RECOMMENDING THAT THE COUNCIL OF THE CITY OF SANTA ROSA MAKE CERTAIN REVISIONS TO CITY CODE SECTION 15 (SEWERS) AND APPROVING REVISIONS TO THE BOARD OF PUBLIC UTILITIES GUIDE TO WATER AND WASTEWATER POLICY SUBJECT TO THE REVISIONS OF THE CITY CODE

WHEREAS, a recent study of City of Santa Rosa sewer demand fees has determined that it is appropriate to revise them at this time; and

WHEREAS, various revisions to the City Code and Guide to Water and Wastewater Policy related to demand fees are also appropriate at this time;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Public Utilities of the City of Santa Rosa recommends that the Council of the City of Santa Rosa revise City Code Section 15 (Sewers) as identified in Exhibit A - Wastewater Demand Fee - Related City Code Revisions;

BE IT FURTHER RESOLVED that the Board of Public Utilities recommends that the City Council make the sewer demand fee and related revisions effective July 1, 2004;

BE IT FURTHER RESOLVED, that the Board of Public Utilities approves the revisions to the BPU Guide to Water and Wastewater Policy as identified in Exhibit B - Wastewater Demand Fee - Related Policy Guide Revisions, subject to approval of the City Code revisions by the City Council.

DULY AND REGULARLY ADOPTED by the City of Santa Rosa Board of Public Utilities this 15th day of April, 2004.
