

Santa Rosa Bicycle and Pedestrian Bridge Feasibility Study

Prepared for the City of Santa Rosa
November 2010

Table of Contents

INTRODUCTION

1. EXECUTIVE SUMMARY	1-1
2. PROJECT CONTEXT AND CONSTRAINTS	
2.1 Project Study Area.....	2-2
2.2 Land Use Patterns	2-2
2.3 Transportation	2-7
2.4 Planning Context	2-18
2.5 Subsurface Conditions	2-21
2.6 Utilities	2-21
2.7 Land Ownership and Easements.....	2-21
2.8 Stakeholders.....	2-21
3. PROJECT GOALS AND DESIGN GUIDELINES	
3.1 Purpose and Need	3-2
3.2 Community Goals & Priorities	3-4
3.3 Project Opportunities	3-4
3.4 Design Guidelines	3-6
4. ALTERNATIVES ASSESSMENT	
4.1 Location Alternatives	4-2
4.2 Alignment Alternatives	4-9
4.3 Structure Type Alternatives	4-40
5. PROJECT IMPLEMENTATION	
5.1 Anticipated Caltrans Review Process.....	5-2
5.2 Funding Sources.....	5-10
6. REFERENCES	

7. APPENDICES

Appendix A: Utilities
Appendix B: Parcel Ownership and Easements
Appendix C: Preliminary Geotechnical Report
Appendix D: Alternatives Cost Comparison
Appendix E: Community Meeting Minutes
Appendix F: Crime Statistics
Appendix G: Pedestrian & Bicycle Usage Statistics
Appendix H: Draft PEAR
Appendix I: Sample Cooperative Agreement

Table of Figures

Figure 1.1 Overview of Locations Studied	1-4
Figure 1.2 Alignment G: Southern alignment with SMART station assumed at Wye Property.....	1-5
Figure 1.3 Alignment A-1: Northern alignment with SMART station assumed at Guerneville.....	1-6
Figure 1.4 Alignment F-1: Southern alignment with a SMART station assumed at Guerneville.	1-7
Figure 1.5 Oblique Aerial View of Alignments A-1 and F-1.....	1-11
Figure 2-1 The study area is located along Highway 101.....	2-3
Figure 2-2 High-level land use patterns.. ..	2-4
Figure 2-3 Zoning map of the project study area	2-5
Figure 2-4 View of former railroad right of way.. ..	2-5
Figure 2-5 Opposite perspective from former railroad right of way, towards SRJC.....	2-5
Figure 2-6 View of Bear Cub Way towards the freeway.....	2-6
Figure 2-7 Range Avenue, south of Jennings Avenue.....	2-6
Figure 2-8 National Guard on Armory Drive, south of Bear Cub Way.	2-6
Figure 2-9 Coddington Mall.....	2-6
Figure 2-10 View down Elliott Street from Northbound Hwy 101.....	2-6
Figure 2-11 View south on Cleveland Ave towards Edwards Ave.....	2-6

Table 4.5 Preliminary construction cost estimate for Alignment F-1	4-47
Table 4.6 Preliminary construction cost estimate for Alignment G-1	4-47

Acronyms Used in this Report

AASHTO	American Association of State Highway Transportation Officials
ADA	Americans with Disabilities Act
APS	Advance Planning Study
CEQA	California Environmental Quality Act
EA	Expenditure Authorization
EIR	Environmental Impact Report
NEPA	National Environmental Policy Act
PEAR	Preliminary Environmental Assessment Report
PID	Project Initiation Document
PSR-PR	Project Study Report - Project Report
RBN	Regional Bicycle Network
RTP	Regional Transportation Plan
SCTA	Sonoma County Transportation Authority
SGA	Steven Grover & Associates
SMART	Sonoma Marin Area Rail Transit
SRJC	Santa Rosa Junior College
TOD	Transit-oriented Development
VMT	Vehicle Miles Traveled
