

Artwork Exhibition Application

Thank you for your interest in exhibiting your artwork with the City of Santa Rosa. The City of Santa Rosa hosts year-round rotating art exhibits by local and regional artists at Finley Community Center, Steele Lane Community Center, and City Hall, to encourage and develop artistic expression and to foster greater appreciation for art in our community. Applications for this program are accepted continually throughout the year. Your application will be reviewed by Recreation and Parks staff and a decision will be provided to you as soon as possible. Considerations in the review process include venue availability, quality of application materials, professionalism and exhibit-readiness of artwork, and appropriateness for display in a community setting. If selected, the City will ask you to enter into a loan agreement, a copy of which can be obtained from the City upon request.

Questions: Jessica Rasmussen, Arts Specialist, (707) 543-4674 or jrasmussen@srcity.org
