PURPOSE

Volunteers in Police Services (VIPS) are dedicated to providing volunteer services as needed and defined by the Santa Rosa Police Department.

Volunteers are committed to providing quality service to the men and women of the Santa Rosa Police Department.

These volunteer services will be based on promoting trust, confidence and open communication in order to establish a partnership between the Police Department and volunteer staff.

By using volunteers, the Santa Rosa Police Department may increase the scope and type of services offered to the City of Santa Rosa.

Santa Rosa is a Great Place to Live, Work and Play!

- As a VIP you become the eyes and ears for the department to report incidents needing law enforcement attention since officers can not be everywhere at once.
- The Santa Rosa Police Department needs your help in keeping the streets safe and clean for everyone.
- VIPS on patrol mark and tow abandoned vehicles that are an eyesore and danger to our residents.
- Work is available for many different skills including giving safety talks to kids and helping out in the office.
- Every task performed by a VIP is an important part of keeping the Police Department running smoothly and getting the job done with the goal of public safety in mind.

Training:

- Training is provided by the SRPD and starts with the Citizen Police Academy, a required introduction to the department.
- Monthly Patrol Training and Annual Driver Training for Patrol VIPS.
- Annual Law Enforcement Volunteers of California Workshop.
