#	RESPONSES
1	Good work, artful and functional improvements. Thank you. (submitted via postcard)
2	Sand in the children's play area was left full of debris! (submitted via postcard)
3	Quality is poor, cement (news) is cracking, areas that need work, were ignored. Should have fixed asphalt. (submitted via postcard)
4	Nobody had any idea what they project was or why it was needed. Neighbors were not informed. (submitted via postcard)
5	It looks like you tore out a perfectly good sidewalk and replaced it with one that was almost identical. Money would have been better spent on improving play equipment, fixing fence, 1/2 court BB court, picnic table etc. (submitted via postcard)
