Subject: districting maps

To Whom it May Concern,

I live in the West End and believe the maps that keep the West End intact and aligned with the downtown corridor best reflect who we are as a community. I like the map that has the historic districts of St. Rose, Luther Burbank, and the West End together, as well as the map that has the West End and the JC neighborhoods together; these other neighborhoods seem to share the most in common with each other. West End neighbors are tightly knit and work together on local issues. Keeping us together in the same district best supports our continued efforts to work together to better our common goals and cohesiveness.

Thank you for your consideration.

Sincerely,
