UNITEDHEALTHCARE® GROUP MEDICARE ADVANTAGE (HMO)

Your employer group or plan sponsor has chosen a UnitedHealthcare® Group Medicare Advantage plan. The word “Group” means this is a plan designed just for an employer group or plan sponsor, like yours. Only eligible retirees of your employer group or plan sponsor can enroll in this plan.

“Medicare Advantage” is also known as Medicare Part C. These plans have all the benefits of Medicare Part A (hospital coverage) and Medicare Part B (doctor and outpatient care) plus extra programs that go beyond Original Medicare (Medicare Parts A and B).

Make sure you know what parts of Medicare you have.

You must be entitled to Medicare Part A and enrolled in Medicare Part B to enroll in this plan.

- If you're not sure if you are enrolled in Medicare Part B, check with your local Social Security office. To find an office where you live, visit www.ssa.gov/locator or call **1-800-772-1213**, TTY **1-800-325-0778**, between 7 a.m. – 7 p.m. local time, Monday – Friday.
- You must continue paying your Medicare Part B premium to keep your coverage under this group-sponsored plan. If you stop your payments, you may be disenrolled from this plan.

HOW YOUR GROUP MEDICARE ADVANTAGE PLAN WORKS

Medicare has rules about what types of coverage you can add or combine with a group-sponsored Medicare Advantage plan.

One plan at a time.

You may be enrolled in only one Medicare Advantage plan and one Medicare Part D prescription drug plan at a time. The plan you enroll in last is the plan that Centers for Medicare & Medicaid Services (CMS) considers to be your final decision. If you enroll in another Medicare Advantage plan or a stand-alone Medicare Part D prescription drug plan after your enrollment in this group-sponsored plan, you will be disenrolled from this UnitedHealthcare® Group Medicare Advantage (HMO) plan. Any eligible family members may also be disenrolled from their group-sponsored coverage. This means that you and your family may not have hospital/medical or drug coverage through your plan sponsor or employer group.

Remember: If you drop or are disenrolled from your group-sponsored retiree health coverage, you may not be able to re-enroll. Limitations and restrictions vary by employer group or plan sponsor.

MEDICAL COVERAGE PLAN BASICS

How your medical coverage works.

Your plan is a Health Maintenance Organization (HMO) plan. That means you must get care through a network of local doctors and hospitals. Your primary care provider (PCP) oversees your care and, in some cases, may refer you to a specialist.

	Network	Out-Of-Network
Will the doctor or hospital accept my plan?	Yes	No
What is my copay or coinsurance?	Copays and coinsurance vary by service. ¹	You must pay the full cost for services except in case of emergency.
Do I need to choose a primary care provider (PCP)?	Yes	N/A
Do I need a referral to see a specialist?	Yes	N/A
Are emergency and urgently needed services covered?	Yes	Yes
Do I have to pay the full cost for all covered doctor or hospital services?	No, you will pay your standard copay or coinsurance for the services you get. ¹	Yes
Is there a limit on how much I spend on medical services each year?	Yes	N/A

¹Refer to the Summary of Benefits or Benefit Highlights for more information.

PRESCRIPTION DRUG COVERAGE PLAN BASICS

How your prescription drug coverage works.

Your Medicare Part D prescription drug coverage includes thousands of brand name and generic prescription drugs. Check your plan's drug list to see if your drugs are covered.

What pharmacies can I use?

You can choose from over 68,000 pharmacies across the United States, including national chain, regional and independent local retail pharmacies.

What is a drug cost tier?

Drugs are divided into different cost tiers. In general, the higher the tier, the higher the cost of the drug.

What will I pay for my prescription drugs?

What you pay will depend on the coverage your employer group or plan sponsor has arranged and on what drug cost tier your prescription belongs to. Your cost may also change during the year based on the total cost of the prescriptions you have filled.¹

Can I have more than one prescription drug plan?

No. You can only have one Medicare Part D prescription drug plan at a time. If you enroll in another Medicare Part D prescription drug plan OR a Medicare Advantage plan that includes prescription drug coverage, you will be disenrolled from this plan.

¹Refer to the Summary of Benefits or Benefit Highlights for more information.

PRESCRIPTION DRUG COVERAGE PLAN BASICS

What is IRMAA?

The Income-Related Monthly Adjustment Amount (IRMAA) is an amount you may need to pay in addition to your monthly plan premium if your modified adjusted gross income on your IRS tax return from two years ago is above a certain limit. This extra amount is paid directly to Social Security, not to your plan. Social Security will contact you if you have to pay IRMAA.

What is a Medicare Part D Late Enrollment Penalty (LEP)?

If, at any time after you first become eligible for Medicare Part D, there's a period of at least 63 days in a row when you don't have Medicare Part D or other creditable prescription drug coverage, a penalty may apply. Creditable coverage is prescription drug coverage that is at least as good as or better than what Medicare requires. The late enrollment penalty is an amount added to your monthly Medicare premium and billed to you separately by UnitedHealthcare.

When you become a member, your employer group or plan sponsor will be asked to confirm that you have had continuous Medicare Part D coverage. If your employer group or plan sponsor asks for information about your prescription drug coverage history, please respond as quickly as possible to avoid an unnecessary penalty. Once you become a member, more information will be available in your Evidence of Coverage (EOC), which you will get in your Welcome Packet.

Call Medicare to see if you qualify for Extra Help.

If you have a limited income, you may be able to get Extra Help from Medicare. If you qualify, Medicare could pay up to 75% or more of your drug costs. Many people qualify and don't know it. There's no penalty for applying, and you can re-apply every year.

ADDITIONAL SUPPORT AND PROGRAMS

Annual Wellness Visit and preventive services at \$0 copay.¹

An Annual Wellness Visit with your doctor is one of the best ways to stay on top of your health. Together, you can identify the preventive screenings you may need, review your medications and talk about any health concerns. You may even get a reward for completing your Annual Wellness Visit.

You are never alone with NurseLine.

Whether it's a question about a medication or a health concern in the middle of the night, with NurseLine, registered nurses answer your call 24 hours a day.

Special programs for people with chronic or complex health needs.

UnitedHealthcare offers special programs to help members who are living with chronic disease, like diabetes or heart disease. The patients get personal attention and their doctors get up-to-date information to help them make decisions.

Enjoy a clinical visit in the comfort of your own home.

UnitedHealthcare HouseCalls is an annual wellness program offered to you for no extra cost. The program sends an advanced practice clinician to your home. During the visit, they will review your medical history and current medications. You can also ask any health questions you may have. HouseCalls will then send a summary of your visit to your primary care provider so he/she has this additional information regarding your health. HouseCalls may not be available in all areas.

See a doctor using your computer, tablet or mobile phone.

UnitedHealthcare's Virtual Doctor Visits lets you choose to see and speak to specific doctors using your computer or mobile device, like a tablet or smart phone. During a virtual doctor visit, you can ask questions, get a diagnosis and the doctor can even prescribe medication² that, if appropriate, can be sent to your pharmacy.

¹If additional tests are required, there may be a copay or coinsurance.

²Doctors can't prescribe medications in all states.

ADDITIONAL SUPPORT AND PROGRAMS

WAYS TO SAVE ON YOUR PRESCRIPTION DRUGS

You may save on the medications you take regularly.

If you prefer the convenience of mail order, you could save time and money by receiving your maintenance medications through OptumRx® Home Delivery. You'll get automatic refill reminders and access to licensed pharmacists if you have a question.

Get a 90-day¹ supply at retail pharmacies.

In addition to OptumRx® Home Delivery, most retail pharmacies offer 90-day supplies for some prescription drugs.

Check your UnitedHealthcare Pharmacy directory to see if a retail pharmacy offers 90-day supplies noted with a  symbol. An online pharmacy directory is available at www.UHCRetiree.com

To request a printed directory, call Customer Service toll-free at: **1-877-714-0178**, TTY **711**, 8 a.m. - 8 p.m. local time, 7 days a week

Ask your doctor about trial supplies.

A trial supply allows you to fill a prescription for less than 30 days. This way, you can pay a reduced copay or coinsurance and make sure the medication works for you before getting a full month's supply.

Explore lower cost options.

Each covered drug in your drug list is assigned to a tier. Generally, the lower the tier, the less you pay. If you're taking a higher-tier drug, you may want to ask your doctor if there's a lower-tier drug you could take instead.

Have an annual medication review.

Take some time during your Annual Wellness Visit to make sure you are only taking the drugs you need.

¹Your employer group or plan sponsor may provide coverage beyond 90 days. Please refer to the Benefit Highlights or Summary of Benefits for more information.

The UnitedHealthcare Savings Promise

UnitedHealthcare is committed to keeping your prescription drug costs down. As a UnitedHealthcare member, you have our Savings Promise that you'll get the lowest price available. That low price may be your plan copay, the pharmacy's retail price or our contracted price with the pharmacy.

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract and a Medicare-approved Part D sponsor. Enrollment in the plan depends on the plan's contract renewal with Medicare.

Solutions for Caregivers assists in coordinating community and in-home resources. The final decision about your care arrangements must be made by you. In addition, the quality of a particular provider must be solely determined and monitored by you. Information provided to you about a particular provider does not imply and is in no way an endorsement of that particular provider by Solutions for Caregivers. The information on and the selection of a particular provider has been supplied by the provider and is subject to change without written consent of Solutions for Caregivers.

Drugs and prices may vary between pharmacies and are subject to change during the plan year. Prices are based on quantity filled at the pharmacy. Quantities may be limited by pharmacy based on their dispensing policy or by the plan based on Quantity Limit requirements; if prescription is in excess of a limit, copay amounts may be higher

Other pharmacies are available in our network. Members may use any pharmacy in the network, but may not receive Pharmacy Saver pricing. Pharmacies participating in the Pharmacy Saver program may not be available in all areas.

You are not required to use OptumRx home delivery for a 90- or 100-day supply of your maintenance medication. If you have not used OptumRx home delivery, you must approve the first prescription order sent directly from your doctor to OptumRx before it can be filled. New prescriptions from OptumRx should arrive within ten business days from the date the completed order is received, and refill orders should arrive in about seven business days. Contact OptumRx anytime at 1-888-279-1828, TTY 711. OptumRx is an affiliate of UnitedHealthcare Insurance Company.

This information is not a complete description of benefits. Contact the plan for more information. Limitations, copayments and restrictions may apply.

Benefits, premium and/or copayments/coinsurance may change each plan year.

Drug list

2018 Drug list

This is a partial alphabetical list of prescription drugs covered by the plan. This is not a complete list of the drugs we cover. Please call Customer Service for more information or for a complete list of covered drugs. Our contact information is on the cover of this book.

- **Brand name** drugs are in **bold** type. Generic drugs are in plain type
- Each covered drug is in 1 of 4 cost-sharing tiers
- Drug tier description:
 - Tier 1: Preferred generic
 - Tier 2: Preferred brand
 - Tier 3: Non-preferred drug
 - Tier 4: Specialty tier
- Each tier has a copay or coinsurance amount
- For a description of the tiers, see the Summary of Benefits in this book
- Some drugs may have coverage rules or limits on the amount you can get

PA Prior authorization	The plan requires you or your doctor to get prior approval for certain drugs. This means the plan needs more information from your doctor to make sure the drug is being used and covered correctly by Medicare for your medical condition. Certain drugs may be covered by either Medicare Part B (doctor and outpatient health care) or Medicare Part D (prescription drugs) depending on how it is used. If you don't get prior approval, the plan may not cover the drug.
QL Quantity limits	The plan will cover only a certain amount of this drug for 1 copay or over a certain number of days. These limits may be in place to ensure safe and effective use of the drug. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.
ST Step therapy	There may be effective, lower-cost drugs that treat the same medical condition as this drug. You may be required to try 1 or more of these other drugs before the plan will cover your drug. If you have already tried other drugs or your doctor thinks they are not right for you, you or your doctor can ask the plan to cover this drug.
B/D Medicare Part B or Part D	Depending on how this drug is used, it may be covered by either Medicare Part B (doctor and outpatient health care) or Medicare Part D (prescription drugs). Your doctor may need to provide the plan with more information about how this drug will be used to make sure it's correctly covered by Medicare.

HRM High-risk medication	This drug is known as a high-risk medication (HRM) for Medicare members 65 and older. This drug may cause side effects if taken on a regular basis. We suggest you talk with your doctor to see if an alternative drug is available to treat your condition.
LA Limited access	Drugs are considered “limited access” if the FDA says the drug can be given out only by certain facilities or doctors. These drugs may require extra handling, provider coordination or patient education that can’t be done at a network pharmacy.
MED Morphine equivalent dose	Additional quantity limits may apply across all drugs in the opioid class used for the treatment of pain. This additional edit is called a cumulative morphine equivalent dose (MED). The MED is calculated based on the number of opioid drugs prescribed for you over a period of time. This cumulative limit is required for all plans and is designed to monitor safe dosing levels of opioids for those individuals who may be taking more than 1 opioid drug for pain management. If your doctor prescribes more than this amount or thinks the limit is not right for your situation, you or your doctor can ask the plan to cover the additional quantity.

Additional drug coverage

Bonus Drug List

Your plan sponsor (employer, union or trust) offers a bonus drug list. The prescription drugs on this list are covered in addition to the drugs on the plan’s drug list (formulary).

The cost tier for each prescription drug is shown on the list.

Although you pay the same copay or coinsurance for these drugs as shown in the Summary of Benefits and Evidence of Coverage, the amounts you pay for these additional prescription drugs **does not apply to your Medicare Part D out-of-pocket costs**. Payments for these additional prescription drugs (made by you or the plan) are treated differently from payments made for other prescription drugs.

Coverage for the prescription drugs on the bonus drug list is in addition to your Part D drug coverage. Unlike your Part D drug coverage, you are unable to file a Medicare appeal or grievance for drugs on the bonus drug list. If you have questions, please call Customer Service using the information on the cover of this book.

If you get Extra Help from Medicare to pay for your prescription drugs, it will not apply to the drugs on this bonus drug list.

This is not a complete list of the prescription drugs available to you or the restrictions and limitations that may apply through the bonus drug list. If you have questions about drug coverage, please call Customer Service using the information on the cover of this book.

Statements of UNDERSTANDING

By enrolling in this plan, I agree to the following:

This is a Medicare Advantage plan and has a contract with the federal government. This is not a Medicare Supplement plan.

I need to keep my Medicare Part A and Part B, and continue to pay my Medicare Part B and, if applicable, Part A premiums, if they are not paid for by Medicaid or a third party.

I can only have one Medicare Advantage or Prescription Drug plan at a time.

- Enrolling in this plan will automatically disenroll me from any other Medicare health plan. If I disenroll from this plan, I will be automatically transferred to Original Medicare. If I enroll in a different Medicare Advantage plan or Medicare Part D Prescription Drug Plan, I will be automatically disenrolled from this plan.
- If I have prescription drug coverage or if I get prescription drug coverage from somewhere other than this plan, I will inform UnitedHealthcare.
- Enrollment in this plan is for the entire plan year. I may leave this plan only at certain times of the year or under special conditions.

If I do not have prescription drug coverage, I may have to pay a late enrollment penalty.

This would apply if I did not sign up for and maintain creditable prescription drug coverage when I first became eligible for Medicare. If I get a late enrollment penalty, I will get a letter making me aware of the penalty and what the next steps are.

This plan covers a specific service area. If I plan to move out of the area, I will call my plan sponsor or this plan to disenroll and get help finding a new plan in my area.

I may not be covered while out of the country, except for limited coverage near the U.S. border. However, under this plan, when I am outside of the U.S. I am covered for emergency or urgently needed care.

I will get a Plan Details book that includes an Evidence of Coverage (EOC).

- The EOC will have more information about services covered by this plan. If a service is not listed, it will not be paid for by Medicare or this plan without authorization.
- I have the right to appeal plan decisions about payment or services if I do not agree.

My information will be released to Medicare and other plans, only as necessary, for treatment, payment and health care operations.

Medicare may also release my information for research and other purposes that follow all applicable Federal statutes and regulations.

For members of the UnitedHealthcare® Group Medicare Advantage (HMO) plan only.

Starting on the date my coverage starts, I must get all of my health care from UnitedHealthcare Group Medicare Advantage (HMO). The only exceptions are emergency or urgently needed services, or out-of-area dialysis services.

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract. Enrollment in the plan depends on the plan's contract renewal with Medicare.
