

Pathways to Rebuilding Landscapes Workshop

Saturday September 29th

Join us at the Pathways to Rebuilding Landscapes Workshop on September 29, 2018. We will be reviewing the FREE Landscape Design Templates and explaining how to modify the templates to suit your specific site needs. Trained landscape advisors, design professionals and permitting staff will be on-hand to provide guidance.

Location:

City of Santa Rosa Utilities Field Office
35 Stony Point Road, Santa Rosa

The workshop will have two components:

- Overview of Landscape Templates – Learn about the Landscape Design Templates, how they are designed to be scalable, optional elements, and more. 8:00am to 9:00am
- Hands-On Breakout Session* – make plant substitutions, select optional elements and make simple markups to your Landscape Design Template. (Choose one of two sessions.)

Session 1 – 9:00am to 10:30am -or- Session 2 – 11:00am to 12:30pm

*The Hands-On Breakout Sessions are not design consultations. If more complex modifications are desired, design assistance is available through your local landscape professionals.
