NATIVE PLANTING / POLLINATOR GARDEN:

- Natural surface path (stabilized D.G. or similar)
- Plantings which attract pollinators (butterflies, bees, hummingbirds) with a focus on California and Sonoma County natives
- Educational signage
- Benches beneath shade trees

GROUP PICNIC AREA:

- Concrete pads
- Picnic tables (incl. ADA-compliant)
- BBQ pits
- Trash cans located in turf space

PLAYGROUND PICNIC AREA:

- Natural surface (stabilized D.G. or similar)
- Picnic tables (incl. ADA-compliant)
- Earthmold free-standing play elements
- Seat wall

CEMENTED CONCRETE PATH:

- 6' wide concrete path with distance markers (via colored bands, pavement markings, etc.)
- Multiple loops can be combined to create different routes around the park
- Outer loop and loop around open field are each 1/3 mile; loop around playground is 5/10 mile
- Benches located along path

SECURITY LIGHTING:

- Pedestrian-scale light poles

PORTABLE RESTROOM AND ENCLOSURE:

- Maintained by private contractor
- In place year-round
- Enclosure will partially screen portable and secure in place to avoid tipping and vandalism
- Trash cans located next to enclosure
- Park maintenance contact number will be posted nearby

ENTRY PLAZA:

- Colored concrete
- Adjacent to drop-off zone
- Bike racks, trash cans, and benches

PLAYGROUND AREA:

- Natural surface (stabilized D.G. or similar)
- Picnic tables (incl. ADA-compliant)
- Under shade trees
- Trash can and drinking fountain

DOG PARK:

- Dual-gate entrance
- 4' high chain-link fencing
- Mulch surfacing
- Benches near shade trees
- Dog waste stations
- Landscape buffer along fence

NOTE:

This project includes a public art component. The design and location of which is to be determined. Neighborhood feedback indicates a preference for functional public art, such as seating and playground equipment, as well as design elements that reflect the identity and resilience of the Coffey Park neighborhood and respectfully commemorate the Tubbs Fire.
