

### We have transitioned to digital permits!

Here are the three things you need to do to before July 1

1. Get a Password
2. Pay for your permit online
3. Add license plates

### Benefits to Digital Permits

- Your license plate is now your permit number
- No need to display anything in your vehicle
- No need to come into the office for stickers
- Invoices will be emailed the 10th of each month

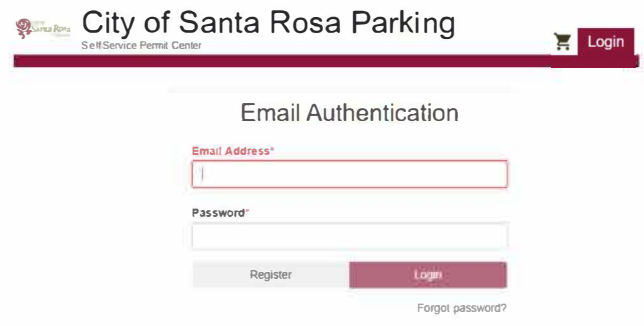

- Make payments online
- Update account info and vehicle license plates

## 1. GET A PASSWORD

No need to register, your account is already active.

- Use your email
- Click Forgot Password
- You will receive a password recovery email
