

ORDINANCE OF THE COUNCIL OF THE CITY OF SANTA ROSA ADDING
CHAPTER 1-10 TO THE SANTA ROSA CITY CODE ENTITLED “OPEN GOVERNMENT”

THE PEOPLE OF THE CITY OF SANTA ROSA DO ENACT AS FOLLOWS:

Section 1. Chapter 1-10, “Open Government” is hereby added to Title 1 of the Santa Rosa City Code to read as follows:

“Chapter 1-10

OPEN GOVERNMENT

Article I. Introduction

1-10.010 Findings and purpose.

- (A) The City of Santa Rosa embraces a culture of open government in an effort to ensure public trust, engage the community, and establish a system of transparency, public participation, and collaboration.
- (B) In 2013, the Mayor of Santa Rosa convened the Mayor’s Open Government Task Force (herein known as the Task Force) to improve openness and transparency in Santa Rosa municipal government. The Task Force presented its report to the Santa Rosa City Council on December 2, 2014. The report offered recommendations in four areas:
 - 1. Immediate Actions for Council
 - a. Set a Council goal of “open and transparent government”
 - b. Set three strategic objectives for the organization:
 - 1 Hire a communications director (now Community Engagement Director)
 - 2 Adopt a sunshine ordinance based on the recommendations of the Task Force
 - 3 Create a mission statement for the City which embraces community engagement
 - 2. Develop a culture that values public engagement
 - 3. Develop a culture based on communication
 - 4. Develop policies that promote openness

This ordinance is thus just one component of the recommendations of the Task Force.

- (C) Democracy in our representative form of government requires that the public has an early and adequate opportunity to understand the government’s activities and to communicate its thoughts and concerns to its elected and appointed representatives, and that those representatives have an early and adequate opportunity to consider those thoughts and concerns and then act effectively and in a timely manner. The City of Santa Rosa honors all of those who live in our community and values their input and feedback.
- (D) The government’s obligation is to balance these expectations responsibly in such a way that it is able to function and carry out its mission of ensuring the public’s health, safety and general welfare in a fiscally and environmentally sustainable manner.
- (E) Openness strengthens our democracy and promotes efficiency and effectiveness in Government, and must be embedded in the City’s way of doing business by implementing sustainable structures that transcend political and staffing fluctuations.
- (F) Accordingly, the purpose of this chapter is to establish new local standards to supplement the provisions of the Ralph M. Brown Act and the California Public Records Act, and to codify certain existing policies and practices that exceed the state law requirements. This chapter allows opportunities to adopt new practices based on the recommendations of the Mayor’s Open Government Task Force to ensure that the public has an early and adequate opportunity to be informed of the City’s activities, to communicate its thoughts and concerns to its elected and appointed officials, and to work collaboratively to develop solutions in a participatory manner.

Article II. Public Access to Meetings

1-10.030 City Council agenda requirements; regular meetings.

- (A) No later than twelve (12) business days before a regular meeting of the City Council, the City Clerk's Office shall post on the City's website and at the official posting locations at City Hall a preliminary agenda containing a brief meaningful description of each item of business to be transacted or discussed at the meeting. The preliminary agenda shall be provided in both English and Spanish. An email shall be sent to the GovDelivery or similar database composed of group of individuals and/or organizations who have requested to be notified of when the agenda is posted.
- (B) A description of the agenda item is meaningful if it is sufficiently clear and specific to alert a person of average intelligence and education of the general substance and significance of the item. The description should be concise and written in plain, easily understood language. In addition, the description shall include, for each item of business, a brief statement of the recommended action or a statement that the item is for discussion only. When possible, the agenda shall include a link to prior Council actions on the item.
- (C) No later than four (4) business days before a regular Meeting of the City Council, final agendas shall be posted to the City's website and at the official posting locations at City Hall, and hard copies shall be made available at the front counter in the City Manager's Office and at the Central Branch of the Sonoma County Public Library. In addition to the contents identified in subsection (B), the final agenda shall include, for each item of business, a brief statement of any potential budget impacts, to the best of staff's knowledge at the time. The final agenda shall be provided in both English and Spanish.
- (D) Supporting Documents shall be added to the preliminary Agenda posted on the City's website as those Supporting Documents become available for publication. Supporting Documents shall also be included in the final Agenda posted on the City's website and in hard copies provided pursuant to subsection (C). Supporting Documents are not required to be translated into Spanish.
- (E) Complete final agenda packets for City Council regular meetings shall remain posted on the City's website and available for review at the City Manager's Office and the Central Branch of the Sonoma County Public Library during normal business hours, from the initial time of posting in accordance with subdivision (C) until the scheduled meeting is complete.
- (F) A correction or supplement to an item already included in an Agenda Packet may be considered by the City Council if the correction or supplement to the item: (i) is within the scope of the description provided on the final agenda, and (ii) all materials

provided to the City Council in connection with such correction or supplement are made available to the public at the same time such materials are provided to the City Council.

- (G) An item of business that does not appear on the preliminary agenda posted pursuant to subdivision (A) may nevertheless be placed on the final agenda posted pursuant to subdivision (C), under the following circumstances:
1. An urgent item of business that does not appear on the preliminary agenda posted pursuant to subdivision (A) may nevertheless be placed on the final agenda posted pursuant to subdivision (C), but shall not be discussed or acted upon except upon a showing of good cause and with the concurrence of six council members, or by unanimous vote if fewer than six members are present. The Council shall determine that good cause exists prior to taking action upon the item. If good cause is not found to exist, the item may be heard at the Council's next regular meeting. For purposes of this section, a showing of "good cause" will require a finding by the Council that as a result of exceptional circumstances beyond the control of the Council, compliance with the 12-business day notice requirement would impose a substantial burden on the City's ability to conduct its business or result in prejudice to a private person. Prior to making such a finding, staff shall provide a detailed explanation of the reason the agenda item could not be provided to Council and members of the public within the 12-business day notice requirement of Subdivision (A).
 2. For purposes of subsection (G)(1), it shall be presumed that, in the event of an appeal to the City Council of any decision by a subordinate board, commission or committee that grants or denies rights to a private party, compliance with the 12-business day notice requirement would, in fact, result in prejudice to that private party. For that reason, absent substantial evidence to the contrary, such appeals shall be exempt from the 12-business day notice requirement of subsection (A).
- (H) No action or discussion shall be undertaken on any item not appearing on the posted final agenda, except that, following public comment on items not on the agenda, members of a legislative body may briefly respond to statements made or questions posed by members of the public during the comment period. In addition, members of the legislative body may ask a question for clarification, provide a reference to staff or other resources for factual information, request staff to report back to the body at a subsequent meeting concerning the matter raised by the public, or request that the matter be placed on the agenda for a subsequent meeting.
- (I) Notwithstanding subdivision H, the City Council may take action on items of business not appearing on the posted agenda under any of the following conditions:

- (1) Upon a determination by a majority vote of the City Council that an emergency, such as act of war, natural disaster or public disruption (e.g. work stoppage, crippling activity or other activity) poses a severe threat to public health and safety.
 - (2) Upon a determination by a two-thirds vote of the members of the legislative body present at the meeting, or, if less than two-thirds of the members are present, a unanimous vote of those members present, that there is a need to take immediate action and that the need for action came to the attention of the local agency subsequent to the final agenda being posted in accordance with subsection (C).
 - (3) The item was on an agenda posted pursuant to subdivision (C) for a prior meeting of the City Council occurring not more than five (5) calendar days prior to the date action is taken on the item, and at the prior meeting the item was continued to the meeting at which action is being taken.
- (J) Nothing in this section shall limit the rights of the City Council to give notice of, and to hold, closed sessions and/or to call and hold special or emergency meetings in accordance with the provisions of the Brown Act.
- (K) The City Clerk's Office shall ensure that agendas for regular and special meetings are made available upon request to speech and hearing impaired persons through telecommunications devices for the deaf, telecommunications relay services or equivalent systems, and, upon request, to sight impaired persons through Braille or enlarged type. Translation or interpreter services shall be available free of charge upon request. If the request is received by the City Clerk at least 7 business days prior to the City Council meeting, the translation or interpreter services will be provided no later than two (2) business days prior to the City Council meeting.
- (L) Copies of agendas in a language other than English or Spanish will be made available free of charge upon request. If the request is received at least 7 business days prior to the City Council meeting, the copy shall be provided no later than two (2) business days prior to the City Council meeting.
- (M) Copies of the agendas in a language other than English or Spanish will be made available automatically if the threshold of that particular non-English and non-Spanish speaking population reaches and/or exceeds 5% of the total city population as determined by the latest United States Census.
- (N) The Open Government Ordinance will be posted on the City website and each City Council agenda shall include information on how to obtain a free copy of the ordinance (electronic and/or paper).

1-10.040 Broadcast of meetings.

- (A) All regular meetings of the City's Council, boards, commissions, and committees that are held in the City Council Chamber shall be recorded, televised, video-streamed live via the City website, as well as archived for replay, and broadcast via radio. The live broadcasts and archived video shall be close captioned. Archived videos shall contain an index of agenda items that will enable members of the public to automatically advance to the start of a particular agenda item by clicking on that agenda item in the video index. Live broadcasts shall include closed captioning in English. Archived videos shall include closed captioning in both English and Spanish.
- (B) The broadcast requirements shall not apply if necessary equipment malfunctions. In such instances an audio recording shall be made of the proceedings and such audio recording shall be archived in the same manner as video recordings of meetings, with the same level of public access.

1-10-050 Closed sessions and litigation reports.

- (A) Before any closed session, the City Council shall disclose on the agenda and verbally during open session the basis for the closed session.
- (B) Before any closed session, the City Council shall meet in open session for the purpose of taking public comment solely on the subject(s) of the Closed Session. Council minutes shall reflect the scope of individual comments.
- (C) Following the closed session, the City Attorney shall make a report in open session describing any final action taken as required by state law, as well as any other matter or statement the City Council directs the City Attorney to make.
- (D) When litigation involving the City is finally adjudicated or otherwise settled, the text and terms of any final judgment or settlement shall be disclosed, subject to state and federal confidentiality law limitations. The City Attorney will make reasonable efforts to disclose as much as legally permissible.
- (E) When settlements are authorized by the City Council at a Closed Session but are not reported out immediately following the end of the Closed Session, the City Attorney shall prepare a monthly report for the City Council Agenda identifying any settlement agreements entered into by the City.

1-10.060 Public access and comment.

- (A) Whenever the number of attendees at a City Council meeting exceeds the legal capacity of the meeting room as determined by the Fire Marshall, any public address system used to amplify sound in the City Council Chambers shall be extended by

supplementary speakers to permit the overflow audience to listen to the proceedings in an adjacent suitable location. If there be no public address system, or if supplementary speakers are not available at the time, the meeting shall be adjourned until this is appropriately addressed.

- (B) Every agenda for regular meetings of the City Council shall provide, no earlier than 5:00pm and again at the end of the meeting, an opportunity for members of the public to directly address the City Council on items of interest to the public that are within the City Council's subject matter jurisdiction, but not on the meeting's agenda. No action or discussion, however, shall be undertaken on any item not appearing on the agenda unless the action or discussion is otherwise authorized by Sections 1-10.030.
 - (1) The first public comment period on non-agenda items shall begin no earlier than 5:00 p.m. but shall begin as close to 5:00 p.m. as is feasible. This first comment period will be limited to twelve speakers selected randomly by the City Clerk.
 - (2) Speakers who do not have an opportunity to speak during the first public comment period shall be allowed to make public comment under the second public comment period at the end of the meeting.
 - (3) Speakers who have an opportunity to speak during the first public comment period may not make additional comments during the second public comment period.
- (C) In connection with each item listed on an agenda for a regular or special meeting an opportunity shall be provided for members of the public to directly address the legislative body concerning that item before the legislative body takes action. Public comments on closed session items shall be taken before the closed session is convened.
- (D) Except at meetings at which fees are adopted as part of the annual budget adoption, no public hearing may commence earlier than 5:00 p.m. or later than 9:00 p.m. unless there is a legal necessity to act, to hold the hearing or make a decision at that meeting or the City Council determines by a two-thirds vote that there is a fiscal necessity to hold the hearing. When possible, the Mayor should strive for time-certain scheduling of public hearings, and should prioritize public hearings over non-urgent report items.
- (E) To facilitate public input, any agenda changes or continuances shall be announced by the presiding officer at the beginning of a meeting, or as soon thereafter as the change or continuance becomes known to such presiding officer.

- (F) All staff reports, staff presentations, comments from applicants and appellants regarding the agenda item, and Council questions will be presented before the public has an opportunity to speak on the item so as to provide the fullest opportunity for public input on the full scope of issues before the City Council.

- (G) To enhance public knowledge of the City’s policies and better inform the public as to the public’s important role in City government, the Office of Community Engagement and the City Clerk’s Office shall prepare a Citizens Guidebook setting forth written guidelines for members of the public explaining City policies regarding public participation and public comment. The Citizens Guidebook shall include an outline of City government structure, organization, responsibilities, and basic functions, as well as local government terms and definitions, and how to participate in local government activities, meetings, and proceedings. This guidebook will be made available in English and Spanish on the City’s website.

1-10.070 Meeting minutes.

City Council and its standing subcommittees shall record the minutes for each regular and special meeting convened under the provisions of this ordinance. At minimum, the minutes shall state the time the meeting was called to order, the names of the members attending the meeting, a one-sentence summary of, and roll call vote on, each matter considered at the meeting, the time the local body began and ended any closed session, those members of the public who spoke on each matter if the speakers identify themselves and a brief description of their comments, and the time the meeting was adjourned. Public comment speaker cards shall have an option for a one-sentence description of the comments, which the clerk shall use to create a brief description of the comments for inclusion in the final minutes. The final closed captioning of the meeting video will be publicly available in English and Spanish. If video of the meeting is not available, the draft minutes of each meeting shall be available for inspection and copying upon request no later than 15 business days after the meeting. If video of the meeting is available, the 15 business day deadline does not apply. The officially approved minutes shall be available for inspection and copying upon request no later than five business days after the meeting at which the minutes were approved. Meeting minutes will be posted via the City’s website once approved.

- (B) At a minimum, a request to inspect or obtain copies of public records submitted to any department or legislative body shall be responded to within ten (10) calendar days to advise whether the City has records that it will provide or that there is a legal basis to withhold disclosure of the records, unless within that ten day period, the requestor is advised in writing that additional time is needed based on:
