CityBus Service Update

Effective August 3, 2020 and until further notice

CityBus will begin a new weekday service schedule effective Monday, August 3. The new schedule will increase frequency to allow passengers to practice social distancing on all trips. The changes from the current schedule are to weekday service only. Saturdays and Sundays will operate on the Sunday schedule found on our [website](#) and printed maps. Routes 4B, 7, and 19 are still not in service. Thank you for riding and keeping yourself, other riders, and our drivers safe by wearing a face covering and social distancing.
