Narrative:

The Family Support Center served 43 new participants for a year to date total of 243. 55% of those who left the shelter in this quarter transitioned into permanent housing. Due to the shelter in place issued on the county services were altered to fit county ordinance, causing a slight decrease in intakes of new clients into the shelter. The Family Support Center continues to work closely with the Coordinated Entry System to serve the most vulnerable families in our community.
