• What would you like to see in the design?
• What are your ideas for making this park a success?

“"I would like to see it get a refresh. It feels like a forgotten park, not friendly due to the homeless encampments."”

“"Play equipment and a more open feel so you can see across the park."”

“"Focus on walking and ADA friendly access"”

“A couple of bocce courts would be a nice touch.”

“"Scattered trees and covered areas with benches to sit and have protection from the elements. A few picnic tables."”

“Cancer Memorial dominates the current space and renders it uninviting. It must be moved to a quiet, off-the-beaten-path location in a much larger space.”

“Highlight local artists, representative of local community in all its diversity"”
