1	I'm so grateful and happy with the work your team made. Everyone from managers to workers were professional, hard working, and kind. A+ - The Teacher :)	4/15/2022 2:28 PM
2	Once it appeared that a project was completed, workers would then did up what they had paved & start a new project. There appeared to be absolutely no coordination. For months & months there was total disruption to our neighborhood and apparent lack of planning. Next time hire a woman to plan and organize. This was totally botched. Inexcusable.	3/15/2022 4:12 PM
3	It took too long.	3/4/2022 2:35 PM
4	We are happy with the hard work done by workers	3/4/2022 2:34 PM
5	THEY BACK FILLED ON MY PROPERTY WITH GRANITE & ROCKS VICE DIRT. IT WILL COST ME \$300 TO \$500 TO REPAIR	3/4/2022 2:32 PM
6	ONLY ISSUE: OCCASIONALLY LEFT LARGE EQUIPMENT OVER MANY NIGHTS IN FRONT OF HOUSE HOWEVER: PROJECT VERY APPROPRIATE	3/4/2022 2:30 PM
7	The construction crew were superb, courteous, and kind - Well Done!	3/4/2022 2:27 PM
8	Should have painted the cub between Nort and Stewart where the no parking signs are across from the apts!	3/4/2022 2:18 PM
9	Thank you for your consideration.	3/4/2022 1:45 PM
10	Information re. project inadequate before and esp. DURING! We were not told about website to get project updates. Street "No Parking" signs remained up an inforce even when project work halted for WEEKS at a time, then 2-3 days of work, then WEEKS of NO Work. No notice of tearing up my planter strip pavers to move fire hydrant and water meter. Both had just been replaced 18-23 months before. Wasteful&ineffecient. I hear it was because City changed plan after beginning, deciding to replace Water Main, so new laterals needed to be installed. I was happy that Argonaut replaced my pavers in planter strip without need for complaint or lawsuit. Workers and Green Valley engineers were courteous, but constant start and stoppage of work (sometimes for weeks) was aggravating. Scheduling service of my own property without street parking was very difficult(not knowing in advance if work would re-commence any given week and with no street parking).	2/24/2022 10:07 PM
11	The construction crews were very nice, but we were not regularly informed when our driveways were going to be innaccessible. And no one ever told us there was a website to check. Overall, they did a good job, but communication was NOT good.	2/22/2022 2:20 PM
