Should any part of this Agreement be rendered or declared illegal or invalid by statute or decree of a court of competent jurisdiction, this invalidation shall not affect the remaining portions of this Agreement.

ARTICLE 5 **FULL UNDERSTANDING. MODIFICATION. WAIVER**

This Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety.

It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right to negotiate, and agrees that the other party shall not be required to negotiate, with respect to any matter covered herein.

It is further agreed and understood that, except in cases of emergency, the CITY shall not implement any changes to any matter within scope, as defined by the Meyers-Milias-Brown Act, as amended, not covered herein without first having met and conferred with the ASSOCIATION to the extent required by law. For purposes of this Agreement, emergency means any sudden and unforeseeable incident or occurrence.

No agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall in any manner be binding upon the parties hereto unless made and executed in writing by all parties hereto, and if required, approved by the CITY and ratified by the membership of the ASSOCIATION.

The waiver of any breach of any term; or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 6 **TERM**

6.1 This agreement is effective on the date of approval by the City Council.

6.2 This agreement expires June 30,2024.

ARTICLE 7 **RENEGOTIATIONS**

7.1 Formal negotiating sessions for a successor MOU shall commence no later than February 14, 2024.

ARTICLE 8 **RULES AND REGULATIONS**

The following rules and regulations, as they exist now or as they may be amended through the meet and confer process, shall be applicable unless superseded

by any provision of this Agreement:

- A. Personnel Rules and Regulations;
- B. Employer-Employee Relations Rules and Regulations.

CITY shall not change the rules and regulations listed herein without first meeting and conferring with the ASSOCIATION to the extent required by law.

ARTICLE 9 **MUTUAL RESPONSIBILITY**

The CITY and ASSOCIATION recognize their mutual responsibility to provide the citizens those municipal services deemed appropriate to the CITY.

ARTICLE 10 **WORK CURTAILMENT**

Under no conditions or circumstances shall the ASSOCIATION or any of the employees it represents individually or collectively cause, sanction, honor or engage in any strike, sit-down, stay-in, sick-out, slow-down, speed-up, work to rule or in any other type of job action, curtailment of work, restriction of production or restriction of service during the term of this Agreement

ARTICLE 11 **CITY RIGHTS**

The CITY reserves, retains and is vested with any management rights not expressly granted to the ASSOCIATION by this Agreement, the Personnel Rules and Regulations or the Employer-Employee Relations Policy. These City rights include the right to:

- A. Determine and modify the organization of CITY government and its constituent work units.
- B. Determine the nature, standard, levels and mode of delivery of CITY services.
- C. Determine the methods, means, number and kind of personnel by which services are provided.
- D. Lay off employees, subject to the Personnel Rules and Regulations.

Should the CITY desire to exercise any of these rights, it shall, except in cases of emergencies (as defined in Article 5), give the ASSOCIATION advance, written, notice of its intentions thereof and shall afford the ASSOCIATION the opportunity to meet and confer on the impact of the exercise of such rights upon represented employees before the decision is implemented to the extent required by law.

ARTICLE 12 **EMPLOYEE RIGHTS**

Employees shall be free to participate in ASSOCIATION activities described in

Government Code Section 3500, et. seq, except those precluded by this Agreement, without interference, intimidation or discrimination in accordance with State Law and CITY policies, rules and regulations.

ARTICLE 13 DISCIPLINE

13.1 The CITY shall follow the principles of corrective progressive discipline as outlined in the City of Santa Rosa Personnel Rules and Regulations – Rule Seven (7) – Disciplinary Procedure. Disciplinary action shall be designed to fit the nature of the problem, the severity of the misconduct and the circumstances involved.

13.2 Misconduct that may result in disciplinary action shall include, but not be limited to, those causes set forth in Personnel Rules and Regulations – Rule Seven (7) - Disciplinary Procedure – Section Three (3).

13.3 Pre and post disciplinary due process shall be followed to the extent required by case law and statutory law, including but not limited to the Public Safety Officers Procedural Bill of rights Act (Government Code Section 3300 et seq.)

13.4 See Article 16, Section 16.6 preserving the parties' rights over the issue of binding arbitration of discipline.

ARTICLE 14 GRIEVANCE

14.1 Definitions:

A grievant is an employee, a group of employees or the ASSOCIATION.

A “grievance” is a claimed violation, misinterpretation, inequitable application or non-compliance with a memorandum of understanding, CITY ordinance, resolution, rule or regulation affecting working conditions; including disputes over discipline, limited to suspensions, reductions in salary, demotions and terminations.

14.2 Informal Grievance Resolution

As soon as possible, but no more than fourteen (14) days after the discovery of the event giving rise to a grievance, the grievant or representative shall present the grievance informally to the involved supervisor; except if the grievance involves the relationship with the supervisor, it shall be submitted to the involved Division Captain. The grievant and supervisor have a mutual responsibility to resolve the matter at the lowest possible level.

If the grievance is not resolved through discussion with the supervisor, then the grievant and/or representative shall present the grievance informally to the Division

Captain. The Division Captain shall respond in writing to the grievant if the decision is adverse to the grievant.

Utilization of these informal steps shall be necessary prior to filing a formal grievance.

14.3 Formal Grievance Resolution

If the grievant feels that the issue was not resolved informally, a formal grievance shall be filed within fourteen (14) calendar days from the receipt of the written decision.

A formal grievance shall only be initiated by completing a form provided by the Human Resources Department. This form shall contain:

- A. Name(s) of grievant
- B. Class title(s)
- C. Department
- D. Working Address(es)
- E. A clear statement of the nature of the grievance, citing the applicable language of any ordinance, rule, regulation, memorandum of understanding; or other pertinent document involved.
- F. The date on which the grievance occurred.
- G. Proposed solution to the grievance.
- H. Date grievance form completed.
- I. Signature of grievant(s).
- J. Name of organization; or representative, if any, representing the grievant.

Step 1

Within fourteen (14) calendar days after the formal grievance is filed, the Department head or designated representative shall investigate the grievance, shall confer with the grievant and attempt to resolve the issue. The Department head has the responsibility, after considering all pertinent information, to make a decision in writing.

Step 2

If the grievance is unresolved to the satisfaction of the grievant, the grievant may, within seven (7) calendar days after the Department head's decision, request the City Manager/designee to consider the decision rendered by the Department head. Such request shall be in writing and filed with the Human Resources Director.

Step 3

Within fourteen (14) calendar days after receipt of the written request, the City Manager/designee shall investigate the grievance, confer with persons affected and their representatives to the extent deemed necessary, and render a decision in writing.

If the decision of the City Manager/designee resolved the grievance to the satisfaction of the grievant, it shall be final and binding.

No time limits described in Article 14 may be extended without the mutual written agreement of both parties.

ARTICLE 15 MEDIATION

15.1 If a grievance is not resolved during the grievance procedure, the ASSOCIATION and the CITY by mutual agreement, may request the assistance of a professional mediator. If the ASSOCIATION and CITY cannot agree on a mediator, they may request a mediator from the State Conciliation Service in an attempt to resolve the grievance.

15.2 The mediator shall not hold a hearing and make recommendation, nor have the authority to resolve the grievance except by agreement of the parties.

15.3 In the event the grievance is not resolved, neither evidence nor concessions agreed to or offered during mediation shall be admissible at a subsequent hearing.

ARTICLE 16 ARBITRATION

16.1 A grievant may either appeal an unresolved grievance, as defined in 14.1 above, to the Personnel Board as provided in Rule Six (6) of the Personnel Rules and Regulations or petition the ASSOCIATION to present the issue to Arbitration as provided below.

16.2 Only the ASSOCIATION may present an unresolved grievance to arbitration by submitting a letter to the Human Resources Director requesting that the matter be submitted to arbitration. Such letter request must be submitted to the Human Resources Director within fourteen (14) calendar days after the City Manager; or designee, renders a decision. Any grievance submitted to arbitration shall be limited to the grievance originally filed at the first step, except as amended by mutual agreement, and properly processed through the grievance procedure.

16.3 The CITY and the ASSOCIATION shall each select and appoint one arbitrator to the Board of Arbitrators within fourteen (14) days after either party has notified the other, in writing, that it desires to proceed to arbitration. The third member of the Arbitration Board shall be selected by agreement between the CITY and the ASSOCIATION, and shall serve as the neutral arbitrator and Chairperson of the Board. In the event that the CITY and the ASSOCIATION cannot agree upon the selection of the neutral arbitrator, either party may then request, within ten days, the State Mediation and Conciliation Service of the State of California Department of Industrial Relations to provide a list of seven (7) persons, who are qualified and experienced as labor arbitrators. If the CITY and the ASSOCIATION cannot agree within fourteen (14) days after receipt of such list on one of seven (7) persons to act as the neutral arbitrator, they shall alternately strike names from the list until one name remains and that person shall then become the neutral arbitrator and Chairperson of the Arbitration Board. The party making the first strike shall be determined by lot.

16.4 The expenses of any arbitration proceeding convened pursuant to this Article, including the fee for the services of the Chairperson of the Arbitration Board and the costs of the preparation of the transcript of the proceedings shall be borne equally by the parties. All other expenses which the parties may incur individually are to be borne by the party incurring such expenses.

16.5 The Arbitrator shall have no power to alter, amend, change, add to or subtract from any of the terms of this Agreement, but shall determine only whether or not there has been a violation in respect to the alleged grievance and determine the remedy or, in the case of a disciplinary action, whether the alleged act or violation actually occurred and if deemed a violation did occur, whether the alleged act or violation actually occurred and if deemed a violation did occur, the level of discipline imposed was appropriate. If deemed not appropriate the arbitrator shall decide the appropriate level of discipline. The decision and/or award of the Arbitrator shall be based solely upon the evidence and arguments presented by the respective parties. The decision and/or award of the Arbitrator shall be final and binding upon the CITY, the ASSOCIATION and the impacted employees, except to the extent provided by Section 56(h) of the City Charter.

16.6 Preservation of Parties Positions and Rights

During negotiations for the 2014-2017 Agreement, the CITY asserted that City

Charter 56 prohibits binding arbitration of discipline. The CITY has not agreed to submit disciplinary disputes to arbitration. The ASSOCIATION asserted that while Charter Section 56 *requires* arbitration of interest disputes, it *permits* the parties to negotiate about and agree to binding arbitration for disciplinary matters. The ASSOCIATION is unwilling to remove language from the MOU regarding binding arbitration of discipline. The CITY and the ASSOCIATION acknowledge each party's position and agree to preserve their respective positions and rights regarding submission of disciplinary issues to Binding Arbitration.

By agreeing to include disputes over discipline which are limited to suspensions, reductions in salary, demotions, and terminations in this section, neither party has waived its rights, as set forth above, to claim that disciplinary matters are subject to, or not subject to, binding arbitration, in future negotiations or if Binding Arbitration is invoked under Articles 14 and 16.

ADMINISTRATIVE

ARTICLE 17 **PAYROLL DEDUCTION OF DUES**

17.1 The Association shall submit any request to initiate, change, or cancel deductions of Contributions from represented employees' pay according to the City's "Voluntary Authorization for Deduction of Union Dues" form, which the City may amend from time to time with reasonable notice to the Association. "Contributions" as used in this article 17 means Union membership dues, initiation fees, political action funds, other contributions, and any special membership assessments, as established and as may be changed from time to time by the Association.

17.2 The City shall deduct Contributions from a represented employee's pay upon submission by the Association of a request, in accordance with the following procedure: the Union shall provide with each request, a certification by an authorized representative of the Association, confirming that for each employee for whom the Association has requested deduction of Contributions, the Association has and will maintain a voluntary written authorization signed by that employee authorizing the deduction. If the certification is not properly completed or submitted with the request, the City shall notify the Association, and make the requested deduction changes only upon receipt of a proper certification.

17.3 The procedure outlined in Section 17.2 is the exclusive method for the

Association to request the City to initiate, change, or cancel deductions for Contributions.

17.4 The City shall implement new, changed, or cancelled deductions within two pay periods following the receipt of a request from the Association.

17.5 If an employee asks the City to deduct Contributions, the City shall direct the employee to the Association to obtain the Voluntary Authorization for Deduction of Union Dues form. If a represented employee hand delivers the official Union form authorizing such deductions to the City's Human Resources Department, the City shall process the authorization and begin the deduction within thirty (30) days. The City will send the Union a copy of any authorization form that it receives directly from a represented employee.

17.6 Except as otherwise provided in this Article 17, each pay period, the City shall remit Contributions to the Association. In addition, each month the City will make available to the Association a document that includes the following information for each represented employee, including new employees: name; classification; department; work location; work, home, and personal cellular telephone number (if available); personal email address if on file with the City; home address if on file with the City.

17.7 Except as otherwise provided in this Article 17 the City shall continue to deduct and remit Contributions until it receives notice to change or cancel deductions from the Association in accordance with the procedure outlined in section 17.2, or it receives an order from a court or administrative body directing the City to change or cancel the deductions for one or more employees.

17.8 With the exception of section 17.5 above, the Association is responsible for all decisions to initiate, change, and cancel deductions, and for all matters regarding an employee's revocation of an authorization, and the City shall rely solely on information provided by the Association on such matters. The City shall direct all employee requests to change or cancel deductions, or to revoke an authorization for deductions, to the Association. The City shall not resolve disputes between the Association and represented employees about Union membership, the amount of Contributions, deductions, or revoking authorizations for deductions. The City shall

not provide advice to employees about those matters, and shall direct employees with questions or concerns about those matters to the Association. The Association shall respond to such employee inquiries within no less than 10 business days.

17.9 The City shall not be liable to the Association by reason of the requirements of this Article for the remittance or payment of any sum other than that constituting actual deductions made from the pay earned by the unit members.

In addition, the Association shall defend, indemnify, and hold the City harmless from any liability resulting from any and all claims, demands, suits or any other action arising from compliance with this Article or in reliance on any list, notice, certification or authorization furnished under this Article.

17.10 New Employee Orientation: The City shall provide the Association with two (2) weeks advance notice of the start date of any new hire to a represented classification. The City shall provide the Association with an exclusive one (1) hour meeting with any new employee or group of employees covered by this MOU, during the employee orientation (i.e., the first two (2) days of employment). The specific date, time, and location of the one (1) hour union meeting with new employees will be coordinated by the Chief of Police and the President of the Association.

ARTICLE 18 **BULLETIN BOARDS**

The ASSOCIATION may furnish and maintain a bulletin board at a location agreeable to the parties.

Such bulletin board shall be used only for the following subjects:

- A. Notice of Membership and board meetings;
- B. Minutes of membership and board meetings;
- C. Notice of ASSOCIATION elections and election results;
- D. Roster of ASSOCIATION officers;
- E. Announcements of purely social events and functions;
- F. The ASSOCIATION Newsletter;
- G. Notice of appointments to committees; and
- H. Any other written material which has first been approved by the

Department Head or designee.

Materials not included in categories (a) through (g) above, which the

ASSOCIATION wishes to post, shall be submitted to the designee of the Chief of Police for approval or rejection; the Chief or designee shall have twenty-four (24) hours during the week or seventy-two (72) hours including a weekend, to approve or reject the materials. If the Chief or designee has not reported to the ASSOCIATION approval or rejection with the twenty-four (24) or seventy-two (72) hour period, the request for posting shall be deemed granted and the ASSOCIATION may post the materials at that point. In no event shall the bulletin board be used to post material which is libelous or defamatory; pornographic or obscene; offensive to ethnic or sexual groups; or totally unrelated to the normal business of the ASSOCIATION or the Employer-Employee Relations process.

ARTICLE 19 HOURS OF WORK

19.1 This Article is intended to define the normal hours of work and shall not be construed as a guarantee of work per day or per week; or of days of work per week.

19.2 An employee who does not normally wear a uniform during their tour of duty shall have a work day of eight (8) hours with an additional unpaid, duty-free meal period of not less than thirty (30) minutes nor more than sixty (60) minutes, the duration thereof to be selected by the employee.

19.3 The work schedule for patrol shall be a 4/10 or a modified 3/12.5 during the term of this Agreement. The work schedule for those employees assigned to other than patrol who normally wear a uniform shall be 4/10 or 5/8, as determined by the Department.

19.4 The briefing period shall be included in the work day.

19.5 Employees shall be scheduled to work on regular work shifts having regular starting and quitting times. Except for emergencies, employees' work shifts shall not be changed without four (4) calendar days prior notice to the employee. Call-back or overtime does not constitute a change in work shift.

19.6 Employees assigned to the "4/10" hour shift shall work four consecutive ten hour shifts normally followed by three (3) consecutive days of rest.

19.7 Employees assigned to the twelve and one half (12 1/2) hour shift shall work three (3) consecutive, uninterrupted twelve and one-half (12 1/2) hour shifts normally followed by four (4) consecutive days of rest.

19.8 This is acknowledged by both parties as a thirty-seven and one-half (37 1/2) hour work week. The employees assigned to this work schedule shall be

required to “pay back” ten (10) hours to the CITY during each twenty-eight (28) day work cycle in the form of an additional day of work. Such additional day of work may include training, special duty, patrol relief or as otherwise assigned, or the employee may, with a supervisor’s approval, utilize ten (10) hours of CTO and/or vacation. The additional day of work shall be scheduled either at the beginning or the end of the employee’s four (4) days off, whenever possible.

19.9 To ensure that grave shift employees are not fatigued when beginning work, a total of six (6) hours of off-duty time must have occurred before their scheduled return to work. This off-duty time does not have to be continuous. Previous duty means any overtime assignment, recall assignment, court time and any other assignment when the employee is performing work for the CITY.

19.10 Pursuant to Section 7(k) of the Fair Labor Standards Act, the CITY has elected a twenty-eight (28) day work period for police officers.

19.11 Training, meetings and other CITY-ordered time shall be considered as hours worked. With the exception of Compensatory Time Off (CTO), paid time off shall count towards the accumulation of the workweek for purposes of computing overtime.

19.12 An employee working a non-uniformed assignment shall generally work a 5/8 work schedule (as defined in Article 20.2) with Saturday and Sunday off. On a week-by-week basis, an employee with the approval of their supervisor, may be allowed to work a flexible schedule. A flexible schedule may include, different days off and starting and quitting times which are mutually agreed upon, and meet the needs of the Department and the employee. In no event shall an employee’s work schedule be more than ten (10) hours in any work day, nor more than forty (40) hours in a work week, when working a flexible schedule. Except by mutual agreement, no changes can be made in the agreed upon flexible schedule for the next scheduled work week, once the employee has completed the last scheduled work day prior to the change. If a flexible schedule is not agreed upon by both the Department and the employee, then the employee’s work schedule shall be a normal work schedule of 5/8, Monday through Friday schedule.

19.13 To avoid off duty court appearances by employees utilizing a flexible schedule, all efforts shall be made to incorporate a scheduled court appearance into a regular work day.

19.14 Nothing herein shall be construed to limit or restrict the authority of management to make temporary assignments to different or additional locations, shifts or duties for the purpose of meeting an emergency. Such emergency assignments shall not extend beyond the period of said emergency, as defined in Article 5.

19.15 Effective upon adoption by the Council, Article 19.14 shall be suspended for the duration of this MOU.

ARTICLE 20 **MEAL PERIODS**

20.1 An employee working a non-uniformed assignment shall be provided a duty free meal period of not less than thirty (30) minutes nor more than sixty (60) minutes, the duration there of to be selected by the employee. The unpaid meal period shall be added to the length of the work day (i.e., employees selecting a 60-minute meal period shall have a nine-hour tour of duty consisting of eight hours of work and one hour duty free, unpaid meal break). Employees whose duty free, unpaid meal period is interrupted or canceled because of return to duty shall receive overtime compensation for the period of the interruption if otherwise qualified. An employee working an eight (8) hour work shift who is required to, at the direction of a supervisor, work more than five (5) hours in any shift without a meal period, shall be paid thirty (30) minutes at the overtime rate, in addition to receiving their regular meal period.

20.2 Police Officers in a uniformed assignment working an eight (8) or ten (10) hour shift shall have a thirty (30) minute paid meal period as part of their eight (8) or ten (10) hour work day. An employee working an eight (8) hour work shift who is required to, at the direction of a supervisor, work more than five (5) hours in any shift without a meal period, shall be paid thirty (30) minutes at the overtime rate, in addition to receiving their regular meal period.

20.3 An employee in a uniformed assignment working a ten (10) hour work shift, who, at the direction of a supervisor, is not given a meal break shall be paid one (1) hour at the overtime rate. The debriefing period during the last half-hour of the work shift shall not be used as a meal break.

20.4 Police Officers in a uniformed assignment working a twelve and one half (12.5) hour shift shall have a forty five (45) minute paid meal period as part of their twelve and one half (12.5) hour work day.

20.5 An employee in a uniformed assignment working a twelve and one half (12.5) hour work shift, who, at the direction of a supervisor, is not given a meal break

shall be paid one (1) hour at the overtime rate. The debriefing period during the last half-hour shall not be used as a meal break.

21.1.1 Requests for time off may be denied if not requested seven days prior to the days requested and back filling would be necessary.

21.1.2 Requests for time off may be denied or canceled, if the Captain determines that an unusual situation exists and that allowing the time off would have a significant, adverse impact on the Operation of the Police Department in its responsibility to ensure the safety of the community and police personnel. 21.2 The following minimums shall be allowed off for vacation, C.T.O.; or ASSOCIATION leave:

21.2.1 Three patrol officers per day shift. Two patrol officers on the cover shift and two patrol officers on the swing shift.

21.2.2 Three patrol officers per graveyard shift.

21.3 Granting time off to more than the minimum number of patrol officers per team is permitted when back filling is not necessary.

21.4 Non-vacation time off requests above two officers on cover and swing shifts, and three officers on day and graveyard shifts, shall not be approved until 30 days prior to the dates requested. The determination of strength shall be set by the number of patrol officers actually assigned to the team minus any long term absences due to on-duty or off-duty injuries or illnesses.

The employee shall use the approved time off request procedure whenever release time is desired pursuant to this Article.

This increase in compensation is intended to compensate officers for expertise of being canine handlers and in lieu of their ability to participate in seniority shift sign-up in the Field Services Division, and selection processes for other special assignments or collateral duties.

43.8.2 In accordance with Fair Labor Standards Act, the CITY and the ASSOCIATION agree that the average amount of time required for the proper care of, feeding, grooming, cleaning, kenneling and transporting a canine is one half (1/2) hour per day for every day the officer has the responsibility of the dog.

43.8.3 An employee assigned as Canine Officer shall be compensated for one half (1/2) hour per day for every day the office has the responsibility for the dog, at

time and one-half (1-1/2) their regular hourly rate for the proper care of, feeding, grooming, cleaning, kenneling and transporting the canine.

43.9 NON-INDUSTRIAL INJURY/ILLNESS

Should an officer receiving compensation for any of the above Collateral Assignments be in an injured status for a non-industrial injury/illness that precludes the officer from, (1) for SWAT only, maintaining the physical conditioning necessary to achieve the physical mandates of the specific assignment, or (2) for any assignment, precluding the officer from performing the duties of the assignment, the following may occur:

A. No formal action to remove special assignment compensation shall be taken until 60 days after the officer is first on injured status. If the injured officer is unable to resume special assignment activities following the 60 day period, special assignment compensation may be removed. The Field Services Division Captain shall be responsible for administering special assignment compensation. Any decision made by the Captain to remove special assignment compensation may be appealed by the affected officer to the Chief of Police.

B. Special Assignment pay removed after the 60 day period shall be reinstated when the officer resumes full activities for the special assignment.

43.10 REMOVAL FROM SPECIAL OR COLLATERAL ASSIGNMENT

Notwithstanding the Government Code, the removal of any employee from this assignment may be made without hearing, unless the removal is either for any asserted misconduct or adverse comments are placed in the employee's personnel file by the Department. The parties agree that discretion for this assignment remains with the CITY.

In lieu of enjoying the fringe benefit of a paid holiday schedule, the City will provide the cash equivalent of such benefits, as outlined below. The parties acknowledge and agree that the in lieu pay is due to the fact that police personnel must forgo holidays.

46.2 The City recognizes eleven (11) fixed holidays as follows:

46.3 In lieu of each holiday during which the employee is in paid status, employees shall receive 9.6 hours of compensation at the rate of time and one half

(1.5x) of the base hourly rate, less mandatory withholdings, in the paycheck covering the period in which the holiday occurs.

46.4 For purposes of this formula, the hourly rate of pay shall include POST and Motor Officer pay.

46.5 The parties acknowledge and agree that holiday in lieu pay provided pursuant to this Article is not included in the regular rate of pay for FLSA overtime calculations pursuant to 29 U.S.C. section 207(e) and underlying regulations and DOL interpretations. The parties further acknowledge and agree that the holiday in lieu pay provided in this Article is intended to be included in pensionable compensation. In the event it is determined – contrary to the intent of the parties – that the language of this Article results in holiday in lieu pay being included in the regular rate of pay or being excluded from pensionable compensation, the parties agree to reopen this Article and negotiate comparable terms.

ARTICLE 47 **SHIFT DIFFERENTIAL**

Employees working patrol or DUI/Accident Investigations, assigned to work their regularly scheduled work day, on all teams except Team 1 and Team 5 shall receive an additional compensation of 3% of base salary for each hour worked between the hours of 1900 hours to 0700 hours when they are working on their regularly scheduled day.
