In an emergency, every second matters. Whether it’s a fire truck racing to a wildland fire before it spirals out of control, a crisis response team heading off a mental health emergency before someone hurts themselves or others, or an ambulance reaching a loved one suffering from a heart attack: every second matters.

For twenty years, Santa Rosa’s 1/4 of a cent sales tax, known as Measure O, has ensured our safety by providing funding for Santa Rosa’s fire department, police, violence prevention programs, and Emergency Medical Services. But this twenty-year provision is set to expire, and it’s up to us to renew it to keep our city safe.

Voting ‘YES’ on Measure H will guarantee this essential public safety funding stream through 2045. For less than one cent on your morning coffee, you can help this city maintain our 9-1-1 rapid response, invest in youth violence prevention programs, help fund Santa Rosa’s new mental health specialists, and reduce our risk of wildfires - without raising your taxes.

The language of Measure H makes these funds fully restricted and robust citizen oversight means every cent raised by Measure H goes directly and exclusively to the programs the voters approve.

We all know the anxiety a red-flag warning brings. With Measure H, Santa Rosans can sleep more soundly knowing that our public safety professionals have the resources they need to keep us safe. Join firefighters, nonprofit leaders, nurses, law enforcement professionals, and mental health service providers to support a safer Santa Rosa.

Vote ‘YES’ on Measure H.
