

WaterSmart Check-up Program For Commercial, Industrial, and Institutional Customers

Free Fixtures:

Showerheads:

Chrome or Polished Brass, 1.5 gallons per minute

Kitchen Faucet Aerators:

Chrome, Spray and Stream, 1.5 gallons per minute

Bathroom Faucet Aerators:

Chrome or Polished Brass, 0.5 gallons per minute

Applicant must:

- Have a City of Santa Rosa water account (service) in their name for the property where the project will be completed.
 - If the property owner is the participant in the program and not the water account holder, they must receive written consent from the water account holder using a City of Santa Rosa Tenant/Account Holder Permission Form.

Steps to Participate:

- 1) Call Water-Use Efficiency staff at 707-543-3985 to schedule a site visit
- 2) Prepare for site visit
 - a) Provide tenants advance written notice as required prior to entry
 - b) Have access for all units, common areas and service areas secured
 - c) Schedule to have a site representative present during the entire audit time
- 3) **Check-up Possibilities:**
 - a) Review water meter for movement
 - b) Check all fixtures for potential leaks, flow rates / water use
 - i) Bathroom faucet
 - ii) Showerhead
 - iii) Toilet
 - iv) Kitchen Faucet
 - v) Hand Wash Sink
 - vi) Pre-Rinse Spray Valve
 - vii) Ice Maker
 - viii) Dish Washer
 - ix) Clothes Washer
 - x) Chiller Unit
 - xi) Cooling tower
 - xii) Specialized equipment
 - c) Review eligibility for other programs or rebates
- 4) Once check-up is completed, staff will prepare a report that includes current water use findings and recommendations to improve water use efficiency, including information on rebates and incentives. If current fixtures do not meet high efficiency flow rate standards, free showerheads and faucet aerators will be provided.
